

**STUCCHI**

N E W C O L L E C T I O N

STUCCHI è uno dei marchi che ha fatto la storia del ciclismo italiano.

Il suo esordio nelle corse avviene nel Giro d'Italia del 1910. L'apice del successo arriva nel 1914: il 7 giugno di quell'anno, su una bicicletta STUCCHI, Alfonso Calzolari si aggiudica a Milano la vittoria del sesto Giro d'Italia; vittoria epica in quanto quell'anno, dopo 3162 massacranti chilometri, solo otto corridori degli ottantuno partenti terminarono la corsa.

Nel 2001 il marchio Stucchi viene acquistato da Esperia Group e riprende la produzione di cicli di particolare qualità.
