ORGANIC VIRGIN COCONUT OIL

HIGHEST GRADE COCONUT OIL

- * Our entire extraction process completed within hours of cracking the coconuts. Freshness is preserved by eliminating the chance for deterioration in the tropical climate of Southern Thailand.
- * Very low moisture content ensures that ours is the purest coconut oil (high moisture content leads to rancidity & mold).
- * Low moisture content also makes our coconut the best moisturizer, it enables quick absorption into the skin, with no feeling of stickiness.
- * Mild and pure coconut taste from our fast extraction time.
- * High MCT (64%) and high Lauric Acid (49%) contents. High source of energy. Anti-microbial, anti-fungal, and immune building properties.

- * Cold Pressed
- * Centrifuged
- * Vegan
- * Gluten Free
- * Raw
- * Unrefined
- * Unbleached
